IMMEDIATE

STRATEGIC PURCHASING EXECUTIVE (m/f/d)

The foundation of Seifert Systems was laid in 1965, when engineer Rolf Seifert recognised the need to keep electronics in an industrial environment at a uniformly low temperature level and to safely dissipate any heat loss that occurs.

With the experience of more than 55 years, Seifert Systems has grown into a group of companies with its own subsidiaries in Malta, Switzerland, Italy, USA and Australia. Long-standing partnerships enable us to operate successfully worldwide.

The Strategic Purchasing Executive will form part of the Procurement team and will be jointly responsible for the implementation of the Company's procurement strategy, development of relevant KPIs, negotiating, placing and following up on Frame / Purchase Orders .

THE SELECTED CANDIDATE WOULD BE EXPECTED TO:

- Have a good knowledge of Value Analysis
- Be able to create Cost Savings
- Contribute to selection, management and development of suppliers
- Demonstrate sound knowledge of using international networks
- Monitor price development and deliveries
- Set data properly in general planning in Oracle (e.g. pricing, MOQ, lead times)
- Be responsible for second sources and replacement of suppliers
- Implement change notes

THE IDEAL CANDIDATE WOULD BE:

- Trustworthy, honest, and ethical.
- An excellent communicator with strong negotiating skills
- Highly knowledgeable of the industry and our products
- Experienced in professional relationship building
- A graduate at MQC Level 6 in Business, Marketing or have previous experience in procurement

Previous experience in a strategic purchasing function would be considered an asset.

Application should include a covering letter together with an updated CV and to be sent by email until Tuesday, 30th November 2021
